- o Safety perception reports (feedback on how safe users feel on certain roads), quick reports (incident or infrastructure-related issues), and incident reports.

2. Location Data:

- o GPS coordinates (latitude/longitude) to report safety concerns and incidents.
- o Location data for the purpose of improving road safety mapping and perception reporting.

3. Device Information:

- o Information such as IP address, mobile device identifiers, and browser details to ensure the app functions smoothly and for analytics purposes.

4. Photos and Media:

- o Photos submitted by users to report infrastructure issues or safety concerns, including blurred faces for privacy protection.

5. Cookies and Similar Technologies:

- o Used for analytics and improving the user experience. You have the ability to control cookie settings through your browser.

How We Use Your Information

The data we collect is used for the following purposes:

- **To improve safety and services:**
 - Analyzing road safety perception and reports to inform local authorities and stakeholders.
 - Visualizing safety perceptions and infrastructure issues on maps and statistics.
- **To provide features of the app:**
 - User registration, report submission, incident tracking, and data visualization.
 - Send notifications about updates or significant reports, if opted-in.
- **To enhance the app:**
 - Regular updates, improving features, and customizing the app to fit your needs.
 - Responding to queries, emails, or technical support requests.

How We Store and Protect Your Information

We store your data securely on **[To be completed by the Dev team]**. We implement security measures to ensure that your information is protected from unauthorized access or misuse. However, no method of transmission over the internet or electronic storage is 100% secure, and we cannot guarantee absolute security.

How Long We Keep Your Information

Your personal data will be stored for as long as necessary to fulfill the purposes outlined in this Privacy Policy. When you deactivate your account or request the deletion of your data, we will ensure all personal data is removed from our systems within a reasonable timeframe (usually within 90 days).

Your Data Protection Rights
